The NSS Unit of Handique Girls’ College proudly represented Assam at the **North East NSS Festival 2026**, hosted by Assam University, Silchar. The festival brought together NSS volunteers from all the Northeastern states, providing a unique platform for cultural exchange, leadership development, community service, and regional integration.

The festival commenced with an inaugural session attended by eminent dignitaries, who highlighted the vital role of youth in nation-building and community development. During the six-day programme, volunteers participated in yoga and physical fitness sessions, academic lectures on **tribal issues, wildlife conservation, the National Service Scheme, disaster management, HIV/AIDS awareness, and Heartfulness meditation**, along with interactive discussions led by distinguished academicians, administrators, and experts.

The volunteers also visited the **Assam Rifles Headquarters**, where they gained valuable knowledge about national security, disaster response, and the responsibilities of defence personnel.

A candle march demanding justice for **Late Angel Chakma** reflected the volunteers' commitment to social justice and humanitarian values.

The cultural programmes were among the major highlights of the festival. Team Assam presented **Gayan-Bayan, Borgeet, Barerohoniya Dance, Diha Naam, Bhupendra Sangeet, and Bihu Dance**, beautifully showcasing the rich cultural heritage of Assam. The participation of **Programme Officer Dr. Kandarpa Phukan** alongside the volunteers added further significance to the performances. Team Assam also secured **First Prize in the Poster Making Competition** and **Second Prize in the Kite Making Competition**, bringing recognition to the state. The festival provided an enriching experience that enhanced leadership, teamwork, cultural understanding, and the spirit of service among the volunteers.

Resource person: **Ranjit Sarma (Principal), Dr. Ranjan Kumar Kakoti (Director of DSW, Gauhati University), Pori Hiloidari (IQAC Coordinator), Dr. Madhuchanda Chaliha Bhuyan, and Dr. Tapan Thakuria, Director of Health Services, Dr. Umesh Phangcho**

The **Seven-Day NSS Special Camp 2026** was one of the most significant programmes conducted by the NSS Unit of Handique Girls' College. Organised under the guidance of **Programme Officer Dr. Kandarpa Phukan**, the camp focused on community development, health awareness, environmental conservation, social responsibility, and rural upliftment through a series of well-planned activities.

The camp began with an orientation meeting and cleanliness drive at the college campus. On the second day, volunteers represented the college at the **Red Ribbon Youth Conclave** held at

Gauhati University by performing **Barerohoniya Group Dance** and **Bhurtaal Nrittya**. On the same day, the volunteers visited the **Indian Red Cross Society Children's Home** at Lankeswar, where they interacted with children and distributed stationery items, spreading joy and encouragement.

During the third day, a **Cloth Donation Drive** was organised at the Uzan Bazar slum area, benefiting numerous underprivileged families. The volunteers also met the **Director of Health Services, Dr. Umesh Phangcho**, and obtained official approval for organising a **Free Health Camp** at Ganapati Village.

The camp activities at **Ganapati Village** included a **survey on rural women empowerment**, covering approximately **30 households and 150 villagers**, installation of **eco-friendly bamboo dustbins**, cleanliness drives, preparation of **biodegradable flower pots using waste materials**, and discussions on promoting **traditional Garo weaving** through Self-Help Groups to strengthen rural livelihoods.

One of the major highlights of the camp was the **Free Health Camp**, organised in collaboration with **Azara Public Health Centre**, where a team of doctors and pharmacists provided free medical consultations and medicines to villagers. A **Yoga Demonstration Session** was conducted to promote healthy living, while plantation drives, painting of biodegradable flower pots, installation of bamboo dustbins, and distribution of clothes and diapers further strengthened the outreach programme.

The Special Camp also featured a formal inaugural meeting attended by distinguished guests, including **Dr. Ranjit Sarma (Principal), Dr. Ranjan Kumar Kakoti (Director of DSW, Gauhati University), Pori Hiloidari (IQAC Coordinator), Dr. Madhuchanda Chaliha Bhuyan, and Dr. Tapan Thakuria**. Cultural performances by NSS volunteers promoted local traditions and community participation.

The camp concluded with a **Cyber Hygiene Awareness Programme**, installation of additional bamboo dustbins, development of a **biodegradable plastic-free garden**, and a cleanliness drive, leaving a lasting positive impact on the adopted village. The Special Camp successfully reflected the true spirit of the National Service Scheme by encouraging selfless service, environmental stewardship, community participation, and leadership among the volunteers.
