BOOKMARK MAKING SESSION

The Amor Littera Society of the Department of English, in collaboration with IQAC, Handique Girls' College, successfully organised a bookmark-making session on 18th March, 2026 as a part of the ongoing Green Literature Week. The session focused on creating bookmarks out of waste materials, encouraging students to reuse and recycle creatively. Participants enthusiastically crafted unique bookmarks using discarded paper, old magazines, as well as dried flowers and stems, adding a natural aesthetic to their creations. The initiative aimed to promote environmental consciousness while fostering artistic expression.
