

CELEBRATION
OF
GREEN LITERATURE WEEK

DAY 7

19th March 2026

The Amor Littera Society of the Department of English, in collaboration with IQAC, Handique Girls' College, successfully celebrated the concluding day of Green Literature Week 2026 on 19th March 2026 with a vibrant and engaging Exhibition-cum-Sale. The event provided a dynamic platform for students to showcase not only their creativity but also their entrepreneurial initiative, as they set up a variety of food stalls and displayed an array of handcrafted and eco-friendly items.

The exhibition featured thoughtfully made products such as crochet pieces, handmade bookmarks with dried flowers and stems, keychains, postcards, and other sustainable crafts, all reflecting the core theme of environmental consciousness. The food stalls added to the lively atmosphere, offering a range of homemade delicacies prepared and presented by the students themselves. The active participation and enthusiasm of both the participants and visitors contributed to the overall success of the event.

The programme concluded on a highly successful and fulfilling note, bringing Green Literature Week 2026 to a close with a spirit of creativity, collaboration, and awareness. It effectively reinforced the importance of sustainable living while encouraging students to adopt eco-friendly practices in their everyday lives.
