The Department organized an outreach programme as part of its community service initiative at Panbazar Adarsh Prathamik Vidyalaya, a pre-primary school in Panbazar. The programme commenced on 24th February and concluded on 6th March, 2026 with the objective of extending academic support to young learners and fostering a sense of social responsibility among students.

During this period, the students of the department actively engaged in teaching activities at the school. They conducted ten days of classes ensuring continuity in the learning process at a time when the regular school teachers were occupied with election duties.

The student volunteers not only assisted in basic teaching but also interacted warmly with the children creating a supportive and engaging learning environment.

Certificate Course on Brahmi Script

Starting Date:7/03/2026

The department of History and the department of Sanskrit, in collaboration with the IKS Centre of Handique Girls' College organized an online 30-hour Certificate Course on Brahmi Script from 7th March to 16th March, 2026. The course was designed to introduce students to the structure and significance of the Brahmi script which is considered as one of the earliest writing systems of the the Indian subcontinent and an important source for reconstructing ancient Indian history.

The course was conducted by script expert Anand Sarma, who explained to the students the basic characters of the script through a series of lectures and practical sessions. He also explained the phonetic structure of the script and the methods used by historians and epigraphists to read ancient inscriptions.

To strengthen the learning process, the script expert also conducted practice sessions through regular homework and assignments, enabling the students to practice writing and identifying Brahmi characters and thereby improving their understanding of the script. A total of 67 students participated in the certificate course.

Kinesthetic learning activity:

Date:18/03/2026

The Department of History, Handique Girls' College, organised a kinesthetic learning activity for the 6th semester students on 18th March 2026 with the objective of making the teaching–learning process more interactive, creative, and student-centred. The activity aimed to help students understand historical personalities and their contributions through active participation rather than only through classroom lectures.

As part of the programme, students portrayed various important historical figures through role play. They acted as personalities from different periods of Indian and world history such as Rani Lakshmi Bai, Gautam Buddha, Mahatma Gandhi, Srimanta Sankardev, Razia Sultana, Akbar and Adolf Hitle. Each participant introduced the character she represented and briefly explained the major contributions and historical significance of that personality.

The activity proved to be highly effective as it encouraged learning through movement, expression, and performance, which is the essence of kinesthetic learning. It helped students understand historical figures in a more meaningful way and also enhanced their confidence, communication skills, and creativity.
