

Extension Activity Cum Social Service

The Department of Statistics, Handique Girls' College, organized an **Extension Activity cum Community Service** at **Sri Sri Sankardev Vidyalay** on **28th April 2026**. The initiative involved the participation of **2nd and 4th semester major students**, aiming to foster social responsibility, civic engagement, and holistic development.

Objectives

- To instil a sense of social responsibility among students.
- To encourage civic engagement through interactive learning.
- To promote creativity and problem-solving skills in younger learners.

Activities Conducted

The program included interactive sessions with the school students, where our students:

- Demonstrated **basic art and craft using paper**, encouraging creativity and hands-on learning.
- Explained **fundamental mathematical concepts through games**, making learning enjoyable and accessible.

Outcome

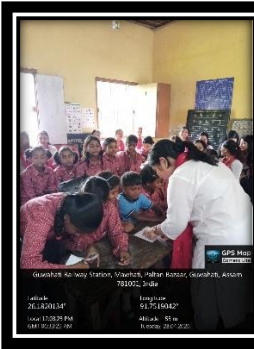

The activity proved to be a meaningful experience for both groups:

- **School students** gained exposure to creative art and playful mathematics, enhancing their interest in learning.
- **College students** developed communication, leadership, and organizational skills while engaging in community service.
- The initiative strengthened the bond between the college and the local community, reinforcing the importance of outreach programs.

Conclusion

The extension activity successfully combined **academic learning with social responsibility**, aligning with the vision of Handique Girls' College to nurture well-rounded individuals. Such initiatives not only benefit the community but also enrich the personal and professional growth of students.
