

## Clarification regarding Bank Account Number

All applicants for admission will please take note of the following:

1. It is highly desirable that the bank account number provided in the application form for the admission is of the student's own account.
2. In the event of the student not having a bank account, the bank account number of a parent or guardian can be provided with the name of the account holder mentioned clearly.
3. **In either case, the account number cannot be changed during the course of the study in the institution.**
